

NOVEMBER 8, 2022 FEDERAL MID-TERM ELECTION

New Jersey Right to Life PAC Endorses the following Candidates for U.S. House of Representatives. Please vote for these candidates on November 8, 2022 if they appear on your ballot.

While the following Congressional candidates support some popular life protective laws, they did not qualify for our endorsement. It should be noted, however, that they are running against radical pro-abortion candidates who support taxpayer funded abortions up to birth.

Tom Kean (R)
7th Congressional District

Robert Healey (R)
3rd Congressional District

Paul DeGroot (R)
